

# Sustainability Week

Fall 2005

Monday, September 26th  
*Consumption & Green Purchasing*

Tuesday, September 27th  
*Water*

Wednesday, September 28th  
*Transportation*

Thursday, September 29th  
*Reuse & Recycling*

Friday, September 30th  
*Energy*

**Look for our Table on Sproul Plaza between the hours of 11-2pm toting the banner: "Campus Recycling and Refuse Services"**

Monday's table on Sproul will feature information on reducing your rate of consumption and how to purchase more green.

Use a reusable mug instead of a paper cup at cafes! Pick up a **free mug** when you visit during our tabling hours today.

Yes, water is both fascinating and mighty. Visit today and learn more about the how to reduce your usage of said water, and what it means to the environment.

Need information about renting cars from the city of Berkeley? How about bike or biodiesel information?

Stop by today and get a chance to chat about the various ways to travel around Berkeley and the Bay Area.

Thor's day is themed for Reuse and Recycling. Come by for a chance to make your own notebook composed or reused materials!

11-2pm **Clean up Strawberry Creek** by meeting at Sather Gate. Participants get a **free ceramic Protect Strawberry Creek Mug** for helping out!

**Tabling with Green Campus 11-2pm:** Come learn about easy ways you can save energy in your daily life. Find out about upcoming energy related events on campus. See a mini solar cell in action and check out a CFL tree!

**7:00pm:** Watch the esteemed film, **Affluenza**, at location **220 Wheeler**. It's guaranteed to make you wet you pants thinking about how many shoes you own and why we're so driven to consume.

5-8pm: **Eat the World, Save the Earth** (ETWSTE) at Unit 3 Café and Foothill DCs. Find out how much food diners waste on our waste-o-meter and receive a treat for eating everything on your plate. Sponsored by Cal Dining.

5-8pm (Crossroads), 5:30-8pm (Clark Kerr DC): **Eat the World, Save the Earth** (ETWSTE). Round two of the waste-o-meter at different DCs. Treats are also offered for those that dare dream and eat all the food that they put on their plates.

7:15pm: Watch the fascinating biopic **Blue Vinyl** at **220 Wheeler** as it explores the dark and seedy world responsible for one of the most poisonous plastics created.

11-3pm **Eco Fair!** Info about environmental groups on campus. Lower Sproul. 3 - 4pm **Paper Making at Unit 2!** (In Courtyard) Bring FLAT items, such as rose petals, leaves, etc. It'll capitalize on our ability to re-use and save the planet's precious resources.
